	CENTRAL INTELLIGENCE AGENCY INFORMATION REPORT  Czechoslovakia Construction of a New Military Plant in Senov  THIS IS LIN	Czechoslovakia  Czechoslovakia  DATE DISTR. 3/ Jul 1953  Construction of a New Military Plant In Senov  NO. OF PAGES 1  NO. OF ENCLS. 1  SUPPLEMENT TO REPORT NO.  THIS IS LINEVALUATED INFORMATION

The new military plant in Senov was being constructed to build tanks. Two large steel and concrete buildings were finished and others were in various stages of construction. Most of the employees were military personnel but some were political prisoners. The post office in Novy Jicin refused to give the telephone number of the plant. They said that the plant had only military telephone numbers.
